 - 6.1.1.1 Cost per call/trip.
 - 6.1.1.2 Experience.
 - 6.1.1.3 Capacity.
- 6.1.2 If the State determines to make an award, the State will issue an Intent to Award notice to a Vendor based on these evaluations. Such discussions may continue at the sole option of the State, until an agreement is reached, or all Proposals are rejected.
- 6.1.3 The State will use a scoring scale of eight hundred (800) points, which will be applied to the Proposal as a whole. Points will be distributed among the following factors:
 - 600 points Vendor's Cost per call/trip
 - 100 points Vendor Experience

100 points Vendor Capacity

800 points Total Possible Score

6.2 Scoring Detail

6.2.1 **Scoring the Proposal Price** – The total Proposal Price Score shall be equal to the sum total of Sections 6.2.1.1 through 6.2.1.3, which shall be calculated as follows:

6.2.1.1 Vendor's Cost Per Call/Trip - Vendor proposed Proposal Price will be allocated a maximum score of 600 points. The price information required in the proposals is intended to provide a sound basis for comparing price. **The Vendor shall provide a fully burdened brokerage price per trip for services outlined in the RFP in Cost Proposal Sheet, Appendix C.**

6.2.1.1.1 The following formula will be used to assign points for Proposal Price:

$$\frac{= \text{Maximum Points } 600 * (\text{Lowest Cost Proposal} / \text{Vendor Cost Proposal})$$

6.2.1.1.2 For the purpose of this formula, the lowest proposed cost Proposal is defined as the lowest price proposed by a Vendor whose Proposal package satisfies the RFP requirements.

6.2.2 **Scoring of Vendor Experience** - Vendor's experience will be allocated a maximum score of 100 points. The Vendor must establish experience as an emergency specimen courier service with at least one non-governmental agency. To receive a maximum score the Vendor must demonstrate experience in providing services similar to the services requested in this RFP. The Vendor must provide three references for past performance.

- 7.1.2 The Department and the Contractor agree that the actual damages that the Department will sustain in the event the Vendor fails to maintain the required performance standards throughout the life of the contract will be uncertain in amount and difficult and impracticable to determine. The Contractor acknowledges and agrees that any failure to achieve required performance levels by the Contractor will more than likely substantially delay and disrupt the Department's operations. Therefore the parties agree that liquidated damages shall be determined as part of the contract specifications.
- 7.1.3 Assessment of liquidated damages shall be in addition to, and not in lieu of, such other remedies as may be available to the Department. Except and to the extent expressly provided herein, the Department shall be entitled to recover liquidated damages applicable to any given incident.

The Contractor shall furnish the Department with all forms and documentation regarding eligibility determinations that the Department may request or require.
4. **Fair Hearings:** The Contractor understands that all applicants for services hereunder, as well as individuals declared ineligible have a right to a fair hearing regarding that determination. The Contractor hereby covenants and agrees that all applicants for services shall be permitted to fill out an application form and that each applicant or re-applicant shall be informed of his/her right to a fair hearing in accordance with Department regulations.
